# MAKE A LIST OF CURRENT MEDICATIONS:

Use this chart to make a list of any medications you are currently taking. Bring this chart with you to appointments to discuss and review with your health care provider.

| Medication | Dose | How often you take the medicine | Reason for Taking | Date Started | Prescriber Name |
|---|---|---|---|---|---|
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
